& Legal Consultants

ALBKAS

COMPANY PROFILE

ALBKAS

With an established excellence and quality legal services for over 20 years in the UAE, Al Bahar & Associates along with renowned Emirati Lawyer Khalifa Al Sada, step into a brand-new phase of offering the finest legal services in the region through ALBKAS. We have decided to combine our resources to improvise our offerings to the existing clientele and prospective clients in the region and across the globe. As we improvise our offerings, we anticipate attracting a wider market of audience through our dedicated and highest quality legal representation.

Talent

We focus on collaborating with local and international high- legal talent to serve our client base across the UAE, the Gulf region, and internationally.

KNOWLEDGE

We believe in sharing knowledge. Sharing our collective knowledge is one way we give back to our community. Our blog is a source for anyone who wants to learn and know more about commonly needed laws, new laws and developments in the legal arena of the UAE and internationally.

Legal Services

ALBKAS team with exceptionally talented Legal Consultants are with the Rights of Audience in all the Courts and Tribunals across the UAE.

The firm's legal talent combines legal expertise in both civil and common law systems. It has allowed us to expand the scope of our services to other Courts and Tribunals in the UAE, such as the DIFC and DIAC, in addition to Local Courts.

PRACTICE AREAS

DISPUTE RESOLUTION:

LITIGATION

The ALBKAS legal team is adept at strategizing and implementing well-planned and thought-out approaches for litigation cases in the UAE and several other jurisdictions. They represent clients of different nationalities in all courts throughout the UAE.

ARBITRATION

ALBKAS Arbitration team provides expertise in an extensive breadth of matters, including but not limited to commercial, maritime, and construction industries.

EMPLOYMENT

The firm handles various issues involving employment/labour and related matters. We provide practical, well-detailed advice with cost-effectiveness in mind. Our work ranges from all aspects of the employment process to the end of service/contract consequences.

CRIMINAL

ALBKAS offers expert and discreet advice across the whole spectrum, from homicide to road traffic offences. We focus on making the constantly challenging process smooth and efficient with the local lawyers' direct involvement to address the client's requirements.

CORPORATE & COMMERCIAL

Our expert lawyers advise boards, in-house counsel, and businesses on A-Z of their legal and business requirements. We aim to provide clarity and simplicity for businesses in a complex and evolving setting.

Legal Services

ALBKAS team with exceptionally talented Legal Consultants are with the Rights of Audience in all the Courts and Tribunals across the UAE.

The firm's legal talent combines legal expertise in both civil and common law systems. It has allowed us to expand the scope of our services to other Courts and Tribunals in the UAE, such as the DIFC and DIAC, in addition to Local Courts.

COMPLIANCE & REGULATORY

ALBKAS offers all the services businesses require when it comes to regulatory & compliance issues. With our in-depth & constantly updating knowledge of local and international regulations, we approach complex regulatory and compliance matters creatively and effectively.

INTELLECTUAL PROPERTY

Our expert IP team of lawyers offers their services to businesses and individuals in all aspects of protecting their intellectual property assets. Our IP services are cross-border and integrated.

Rental Dispute & enforcement

Our legal experience in the rental dispute, enable our team to provide the clients with accurate advice and litigation services before concerned legal channels.

MARITIME & TRANSPORT

ALBKAS provides legal assistance in relation to transactions and disputes related to maritime and transport matters.

REAL ESTATE & PROPERTY

Our Real Estate & Property Practice covers all parts of property law, including but not limited to commercial real estate, construction, and residential property law matters. Our client base varies from individuals who need assistance with rental disputes to overseas developers and companies who need legal and strategic assistance with their property-related matters in the UAE.

CONSTRUCTION & INFRASTRUCTURE

We offer our services throughout a project's life cycle, from the early stages of finance, development, and design through implementation, construction, and project close-out. Our focus is to provide effective and creative solutions to all our client's needs in order to minimize legal obstacles in achieving project goals.

Legal Services

BANKING & FINANCE

Our services in the banking & Finance sector range from day-to-day banking and finance issues to complex transactions with international stakeholders. We also advise and assist our clients in debt and equity transactions in capital markets.

HEALTHCARE & MEDICAL NEGLIGENCE

ALBKAS offers services in the healthcare industry on both contentious and non-contentious matters. We handle medico-legal matters for hospitals, clinics, and insurers. We represent parties aggrieved by healthcare professionals or entities as well.

FAMILY LAW

The family law team of ALBKAS is a group of professional lawyers from diverse backgrounds who are focused on offering their expertise while prioritizing the client's best interests.

We are committed to providing clients with sound advice which is tailor-made for you and in your best interests depending on the facts of your specific case. While our family lawyers are undoubtedly on the top of their field, they are mindful of the distress family disputes can cause the clients. That is why they are approachable and easily contactable. All the family lawyers at ALBKAS are well-versed not only in family law but also in the practical and commercial aspects of their client's disputes.

PRIVATE CLIENT PRACTICE

Our private client service offers services in trust and estate planning, administration, and tax planning of high-net-worth individuals and other similar entities locally & internationally.

SUCCESSION, WILLS & INHERITANCE

At ALBKAS, we provide tailor-made, high-quality advice for clients on wills, trusts, and probate. We prepare wills and trusts for local and international clients who want to register their wills in Dubai's Local Courts as well as in the DIFC Courts.

Debt Collection Services

ALBKAS Debt Collection Department handles commercial and consumer collection/recovery matters amicably outside courts within the UAE and Internationally.

Debt collection is a negotiation, mediation, Settlement to recover the outstanding debt of the creditor/clients through correspondence with the default company. The recovery of the outstanding amount is being negotiated through their modus operandi followed for the debt recovery.

Our debt recovery department employs a wide variety of collection practices established over the years, allowing us to ensure a fully inclusive collection strategy. We assure you that our process to recover the outstanding amount is cost-effective and time-efficient.

In Debt Collection Department, we provide the following services;

- Amicable settlement through mediation
- Collection of unpaid invoices
- International debt collection through our associate network
- Resolving bounced or returned/bounced cheque issues
- Trade debt collection

PARALEGAL SERVICES

COMPANY FORMATION

While numerous websites offer setting up a new company only a few minutes away, more often than not, clients look for comprehensive, tailor-made company formation carried out by professionals they can rely on. Proceeding with lawyers gives the clients the certainty that the correct procedures are followed, and the company's legality is safeguarded in the long run.

LICENSING

ALBKAS offers services in obtaining licenses to conduct business in the UAE. Our clients range from new companies wanting to enter the market to businesses wanting to expand to different areas and sectors.

COMPANY STATUS CHANGE

ALBKAS assists businesses to register and maintain the changes made to their companies with the relevant authorities. We focus on offering strategic and effective services to ensure the legal soundness of the companies.
